This change will result in a \$6,374 difference to Dayton.
- Proposed increase in the “sharing percentage” of State Shared Sales Tax to cities from 3.6 to 4% will provide an estimated increase of \$74,067 in state shared sales tax revenue to Dayton.
- The interaction of Chairman Doss' Proposal and the enacted Improve Act will result in an estimated net impact of \$77,089 in funds flowing to Dayton as compared to an estimated net impact of \$8,842, if the Doss Proposal is not enacted.
