

## IX. Comments and Effective Date

This Interim Final Rule is being issued without advance notice and public comment to allow for immediate implementation of this program. As discussed below, the requirements of advance notice and public comment do not apply “to the extent that there is involved . . . a matter relating to agency . . . grants.”<sup>181</sup> The Interim Final Rule implements statutory conditions on the eligible uses of the Fiscal Recovery Funds grants, and addresses the payment of those funds, the reporting on uses of funds, and potential consequences of ineligible uses. In addition and as discussed below, the Administrative Procedure Act also provides an exception to ordinary notice-and-comment procedures “when the agency for good cause finds (and incorporates the finding and a brief statement of reasons therefor in the rules issued) that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.”<sup>182</sup> This good cause justification also supports waiver of the 60-day delayed effective date for major rules under the Congressional Review Act at 5 U.S.C. 808(2). Although this Interim Final Rule is effective immediately, comments are solicited from interested members of the public and from recipient governments on all aspects of the Interim Final Rule.

These comments must be submitted on or before [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].
